AN INSIGHT INTO THE DRUGS OF TOMORROW

## TUESDAY, 19TH OF SEPTEMBER

13:30 – 15:00 Lunch Break

### AFTERNOON SESSION

15:00 – 16:00 **Peptide synthesis: the solid phase approach**

**Roger Prades**

CSO, Iproteos

16:00 – 16:30 Coffee Break

16:30 – 17:30 **Practical session: Synthesis of peptides, ADME techniques and computational chemistry**

**Roger Prades, Jesús Seco, Chiara Pallara and Alexandra Bertran**

Training session: ESRs will be divided in 4 groups

17:30 – 18:30 **Practical session: Synthesis of peptides, ADME techniques and computational chemistry**

**Roger Prades, Jesús Seco, Chiara Pallara and Alexandra Bertran**

Training session: ESRs will be divided in 4 groups

20:45 – 23:00

### **Social dinner**

Dinner will take place at Bar Cañete (Carrer de la Unió, 17, 08001 Barcelona). Departure from Barcelona Science Park at around 20:15.

It is also possible to meet directly in the restaurant at about 20:45-21:00.
